INVESTMENT MANAGEMENT ORGANIZATION

FROM THE DESK OF THE PRINCIPAL
.....

One of the greatest misconceptions which students have concerning education is the belief that it is free. This belief is surely not true. Education most certainly is not free. It is very costly. Real education requires the greatest investment on the part of the recipient and society.

Let us examine what this investment is. First of all, society is pouring billions of dollars into the educational program. This amount is growing each year and is never sufficient. But this is the smallest and least important part of the investment which any real education requires.

The most important part is that required from the students. It consists of time and effort. Every student who graduates this year has invested at least twelve years of his time. This represents from 15 to 20% of an average life time.

Any of you who has acquired real education has also invested a great deal of effort. In fact, your education can be measured more accurately by the amount of effort expended than by your diploma. No education is possible without this work and effort.

For you, who have really worked and learned, this investment in education is the best you will ever make. It will pay dividends as long as you live in terms of material success, personal satisfaction, and service to society.

Like all good investors you must re-invest much of your dividends in further education. This will guarantee the safety of the investment you have already made.

Chas. A. Semler

All's Wells That Ends Well

On a warm MARCH evening, when the WEATHERS was fine, a sweet young thing was on the way to visit her sick old granny. Although the road was LONG and deserted, she wasn't afraid, for a soft breeze was whispering through the BIRCH trees, and the MOON in the EAST was bright. In the basket on her arm were many goodies, a CASE of pop, some BACON, and a double DECKER cake.

Suddenly she was aware of DELONG black car that had pulled up next to her. The driver asked her if she needed a ride, and unable to resist his strange POWERS she accepted. DEWOLFF was very ugly, in fact he looked like a ba-BOONE, and he was so SMALL that he needed a PILLOW to see over the steering wheel.

Realizing that her precious basket of goodies was in danger, she tried to open the car door but found there was a CARLOCK on it.

The villain then parked the car, and turning his ghastly face toward her he yelled, "TURNER over those goodies!" In desperation she screamed for GLENN (that's her boyfriend). Luckily he just happened to be sitting on the BANKS of a near-by POOLE, BASKIN in the moon light, and BASS fishing. Hearing her cries for help our hero rushed to the rescue. When DEWOLFF saw GLENN rushing towards the car, with a big GUNN in his hands, he jumped from his car and ran away through a near-by FIELD. He didn't run far, for a huge BROWN and GREY BULL soon COOKS his PARROTT!

Then our hero bravely hit the bull on the HEAD with a big DUNBAR, and said to the villain, "YORE done for, now ALTI you up and take you to our DEAN; he'll sure straighten you out in a hurry."

Next our hero turned to his girl and said "I love you HARTE and soul. If you will be my QUEEN, I will be your King." In return she said, "You're a GOODWIN too," and she gave him a great big kiss.

Then they both jumped on his trusty STEED (a '49 FORD) and started off to Benton Harbor.

The moral of this story is: "All's WELLS that ends well."

Music

Marching Band

The Benton Harbor High School Marching Band continued to live up to its fine reputation as one of the best marching bands in Michigan.

Perhaps the most important addition to this year's marching band was the new pre-game entrance, emphasized by the high step.

After only one week's practice, the band received the highest rating at Riverview Park in Chicago competition against 110 other bands from the lower great lakes region.

Even the flu bug didn't prevent this year's marching band from getting a first division at the Marching Festival on October the 9th.

One of the best band shows given this year was the Blue's Show. The baton twirlers did a twirling routine to the jazzy "South Rampart Street Parade March" played by the band in company-front formation. Next the band formed two sets of eighth notes and a treble clef sign and played "Can't Help Lovin' That Man." For the last formation the band made a multi-colored showboat and thrilled the audience with "Old Man River."

Surrounded by a circle of sousaphones, Mr. Kuschel instructs the musicians.

The band is paced by a high-stepping, back-bending drum major and dexterous baton twirlers.

The band owed much of its success the past three years to its drum major, George Peapples.

Orchestra

The orchestra is one of the most versatile organizations in our high school. The players must be able to adapt their playing to styles of music which range from the gay, lilting melodies of a Broadway musical to Schubert's "Unfinished" Symphony.

The orchestra performs many times during the school year. These performances include the annual concert held in March, and the district band and orchestra contest. Besides this, a smaller theater orchestra is required to play for the senior class play, the all-school play, baccalaureate, class night, and to furnish an instrumental background for the operetta.

In addition to this, string ensembles play for many dinners and other social gatherings throughout the year.

On January 31st, the Band and Orchestra put on its annual "Carnival Night." On the next day, members traveled to Kalamazoo to compete in the district solo and ensemble contest where many received high honors for their efforts.

"Prelude to the Opera 'Lorelei'" by Bruch, "The Pearl Fishers" by Bizet and "Overture to the Ballet 'Don Juan'" by vonGluck are the major works performed by the orchestra this year.

1957 Baseball

Our varsity baseball team, coached by Ashley Johnson and Don Burns got off to a good start in the spring of 1957 with one of the three no-hit games of the year. The Tigers had one of the best seasons with six shutouts along with three no-hitters to comprise a 12-3 record.

Sam Watson and Tom Garland, the only seniors on the squad, made their presence appreciated by their outstanding performances. Sam Watson, who pitched two of the no-hitters, Ron Lange, who pitched the third, and Eldon DeWitt, composed the pitching staff. Bob Mahler led the hitting with a .410 batting average followed by B. Umphrey and T. Belski.

One of the main reasons why the Tigers attained their impressive record was the excellent defense of the infield and outfield.

1957 Tennis

With only two returning lettermen in the spring of 1957 coach Ron Blakeman was faced with the job of building up a winning team from a group of neophytes. Although the '57 team lost all its matches, its members gained valuable experience.

Adell Hall, Stan Murkey and Gob Gideon were the three graduating lettermen. Lettermen returning will be: Seniors George Peapples, Bob Goodwin, and Richard Small and Juniors Steve Small, Irving Arenberg, and Jerry Bridgham.

W. Preston was the number one man. He was followed by D. Reiff, V. Blake, T. Warren, and R. Dryden. Rounding out the squad were H. Bullard, J. Biggart, S. Palmert, and R. Cayo.

The Start

The Finish

The double dual meet against Holland and Niles had a crowd of runners at the starting line, but two miles later Paul Dodson was all alone as he receives his first place marker from Mr. Elsner.

Rain or shine, harriers prepare to run a good time.

PAUL DODSON

Cross Country

The cross country team compiled the best record for the sport in the school's history by winning seven and losing only one. This was almost a complete reversal of the previous seasons when only a total of three meets were won. The only loss was by one point to Holland, the only team defeated by the Tiger harriers in the previous three seasons.

Paul Dodson was the number one runner and wasn't defeated by an opposition runner until the state tournament when he finished a strong seventh after keeping up with the leader until the last couple hundred yards. Ron Lange and Jim Herring were generally right up with Dodson at the finish. Following these three came George Peapples, Tony Littke, Cecil Pringle, Don Davino, Herman Pollard, Charles Williams, and Jim Sherrill.

In the regionals, Benton Harbor finished sixth in a field of eleven. This showing would have undoubtedly been better if Herring had completely recovered from a bout with the flu. Besides Dodson with his first place finish, Lange also qualified for the state meet by finishing ninth.

1958 Football

Despite the fact that the Benton Harbor gridiron squad suffered its worst season in seven years, they gave some very commendable performances, as the state's top teams can testify.

The Tigers' star soared like a premature Sputnik when they crashed Chicago Well's goal line six times in the opening game to win 36-6. Harbor was rated tenth in the state as a result of this convincing victory.

Against the Grand Haven eleven, our Tigers got a taste of troubles to come. The "Bucs" softened the Tigers' roar to the tune of 20-0. The Orange and Black robed squad's offense, the least of their worries in the first game, could never get off the ground against Grand Haven.

Influenza (Asian type) was the decided victor in the South Bend St. Joseph game, forcing a cancellation.

In the next game against the Muskegon Big Reds, Benton Harbor was literally "locked out" of the victors' circle. In the first period of play, Muskegon sophomore Terry Locke broke away for two touchdown romps. Although the Tigers' defense stiffened during the remaining minutes of the game, the damage was done. The final score was 12-0.

October eighteenth's tilt with Kalamazoo was "one for the books." Until the fourth quarter the game had been a hard fought defensive battle with each team making two successful goal line stands. Early in the fourth quarter the Maroon Giants' quarterback punted from his own end zone, stepping out of the end zone as he did so, giving Benton Harbor 2 points. Leo Hall, Bill Umphrey, and Jerry Biggart were the backbones of the Tiger defense that held Kazoo to a minus nine yards rushing while Jim Turner accounted for half the Bengals' yardage.

"No hole too small . . ." B.H. vs. Wells.

The Niles Vikings' invasion of Filstrup Field October 25th was a desolate occasion. Early in the first quarter a Viking back broke through to pay dirt for the game's only tally. The Harbor defense stiffened from then on, but the offense ran into a brick wall as the final score was Niles-6, B.H.-0.

Six hundred Benton Harbor rooters cheered the team on at Muskegon Heights, having participated in the annual train trip which is the highlight of the football season. On the first play from scrimmage, speedy Osie McCarty of Heights broke away for a 78-yard touchdown run. Again early in the second quarter, McCarty scored, this time as a pass play. After these two costly escapades the Tigers controlled McCarty as though they had a custom-made straight-jacket and decidedly outplayed Heights the entire second half. The Tigers made several drives into Heights' territory in the second half, but were denied a touchdown for the 5th straight game.

The contest with Holland, played in winds so strong that punts went backwards, was won by our Harbor eleven, 7-6, ending a 5 game touchdown and P.A.T. famine. The TD came on a short pass to Chet Walker and Joe Rodgers ran the extra point. Inch deep mud on the field greatly hampered running, while the wind, with gusts of 50 M.P.H., was not exactly helpful as far as the aerial game was concerned.

"Almost made it, the next play we did."

In the first quarter of the Grand Rapids Union game Benton Harbor launched a relentless 80-yard TD march, climaxed by a 37-yard Coleman-to-Yarbrough pass. Early in the fourth quarter, trailing 13-6, our Tigers drove from their own 35-yard stripe to the Union 1-foot line, from where Duane Mitchell plunged over, only to have the touchdown nullified by a penalty. Fullback Duane Mitchell played his best game in his three year varsity career, plowing through the Union line for a total of 90 yards. Three long runs won the game for Union, 20-6.

"A young gentleman about to be grounded."

Basketball '57-'58

The Tigers of Benton Harbor attained their most successful season since 1945. Basking in the spotlight of a season-long rating as the best team in the state, they missed a perfect season by eight points, losing to defending state champs Muskegon Heights after winning 13 straight. The outstanding feature of Farnum's Five was the ability of any one of them to walk away with high scoring if necessary. Chester Walker led the Tigers with a 23-7 average, but the other four were high scorers at least once during the year. Here follows a game-by-game account of a great Tiger season.

B.H. 50 HAMMOND MORTON 37

A control-ball Morton team and new rules combined to hold the Tigers to a mere 50 points in the kickoff game of a great season. The contest had its high spot when reserve guard Charlie Williams came off the bench to score 4 straight points and set up two more to pull a doubtful game out of the fire and win for himself the season-long favor of the fans.

"Charlie cans two as he rejuvenates team."

CHARLIE WILLIAMS

GERALD BIGGART

B.H. 76 GRAND HAVEN 52

Chester Walker came within three points of tying the B.H.H.S. personal scoring record which he set last season as he tallied 37 to contribute greatly to the defeat of the Grand Haven Bucs. A 28-point fourth quarter, with 16 of those going to Walker, enabled the Tigers to sew up a game that had been surprisingly close for the first three quarters. The Tigers led by only nine points at the fourth quarter face-off.

"Two for Dunbar."

B.H. 83 CHICAGO TULEY 54

HOT was the word for B.H.H.S. this night as our Tigers ringed 60% of their shots for the first three quarters and 53% for the game to leave the Chicago invaders reeling in the wake of the blast. Harbor featured four players in double figures as Chet Walker drilled through a grand total of 31, Mickey Yarbrough 16, Duane Dunbar 12, and Ron Lange 11.

B.H. 73 KALAMAZOO 37

All was gloom around the Central gym this wintry eve as the highflying Tigers invaded Maroon Giant territory and proceeded to hand them the worst defeat ever absorbed by a Kazoo team. In an attempt to prevent this slaughter, the Giants zoned Chet Walker, but this was to no avail as senior forward Ron Lange had a field day with his jump shot, swishing 18. Walker was held to 20, his lowest of the young season, while Mickey Yarbrough hit for 12.

RON LANGE

NATE WELLS

B.H. 74 SOUTH BEND WASHINGTON 61

Chester Walker and his 37 points were a mainstay in this fast-moving contest. At certain points in the game, any person attempting to follow the progress of the ball as it zoomed from basket to basket on the short court, would be in dire danger of suffering a sprained neck. The game, until the Tigers cinched the issue late in the fourth quarter on free throws, was a coach's nightmare as seemingly comfortable leads of 10 or 12 points had a disturbing habit of vanishing to 2 or 3. Other high scorers for the Tigers were Dunbar with 13 and Lange with 9.

"Ron breaks through."

BRUCE WIGHTMAN

JACK HALL

B.H. 69 HOLLAND 54

The relatively close final score of this tilt is not a fair testimony to the performance of our Tigers. Holland was never in the game and coach Farnum saw fit to yank his entire first string at the end of the third quarter. Although Holland managed to hold Walker to 17 points the balanced scoring of the rest of the team easily overcame this difficulty. Dunbar sank 14, Lange 11, Yarbrough 9, and Peapples 8.

DUANE DUNBAR

GEORGE PEAPPLES

B.H. 61 MUSKEGON 53

The Tigers weathered one of their worst scares of the season as the Big Reds, seemingly out of the picture after being down 22-11 at the end of the first quarter, fought to within one point of our first-rated Tigers early in the third frame. The ball-hawking floor play and clutch shooting of guard George Peapples, with able assistance from the other half of the guard position, Duane Dunbar, pulled the game out of the fire for Benton Harbor's seventh straight conquest. Muskegon triple-teamed Chet Walker and held him to his lowest of the season, 12 points, but Peapples and Dunbar dumped 14 each to fill in the gap very nicely.

"Bruce tries one, Grand Haven watches."

B.H. 64 GRAND HAVEN 41

Benton Harbor needed a mere ten minutes to smother Grand Haven for win number eight as the score early in the second quarter was a staggering 34-6. At this point the Bucs gave up the ghost and stalled in an attempt to keep the score from being ridiculous. The starting five again got a period-long rest which resulted in ten Tigers breaking into the scoring column. Walker led the parade with 22, while Lange, whose number is 13, scored just that many and Yarbrough tallied 8.

"Chet shoots as the contest tightens."

"Click, click."

B.H. 51 MUSKEGON HEIGHTS 47

This Friday night was a time of sweet revenge for the Tigers and their fans. After one of the most hotly contested games in the history of the Colfax gym, our number one rated Bengals emerged victors over defending state champion Heights, thus avenging, quite satisfactorily, three straight losses to the up-state Tigers last season, one of which came in the state semi-finals. Harbor never trailed all through the game, although the lead exceeded 6 points only once. Midway through the fourth quarter, after a barrage of shots during which neither team was able to buy a basket, our Tigers zoomed to an eight point lead, only to see it shrink to one a minute later. The issue was very much in doubt until the last seconds when George Peapples sunk four straight points to cinch the game. Chester Walker was high man for B.H.H.S. with 15, but balanced scoring was the order of the night as Ron Lange swished 14, George 11, and Duane Dunbar 9.

B.H. 63 NILES 45

Mickey Yarbrough scored over 20 points for the first time in his varsity career to pace the Orange and Black squad to a well-earned victory over the Vikings of Niles. Tiger domination of the backboards was a main feature in this tilt as they took 78 shots—27 more than Niles could get away. Walker was held to only 17 points and Ron Lange swished 11.

"George lays in two."

"Your turn, Chet."

B.H. 54 HOLLAND 44

After their prestige-filled conquest of Muskegon Heights, our high-flying Tigers had difficulty getting their feet back on the ground as they eased past the Dutchmen by 10 points. Ron Lange kept Harbor in the game in the first half, scoring 14 of his 16 points. Chet Walker took over in the second half, sinking a total of 17 after a meager 5-point first half.

B.H. 80 KALAMAZOO 40

Records fell by the wayside as the Tigers sank a sizzling 50% of their shots against a Kazoo squad that tried hard but couldn't keep up. The 80-point total was the highest ever scored against a Maroon Giant team and the 40-point spread was the greatest margin of defeat ever suffered by Kazoo. All this came after a trying first quarter which found the Harbor squad on the short end of a 12-11 tally. Chester Walker returned to his regular form, sinking shots from any and all angles for 27 points. Ron Lange and Duane Dunbar also kept the nets buzzing with 18 and 16 points respectively.

B.H. 84 MUSKEGON 48

Number 13 held no terrors for B.H.H.S. as the Tigers hit 51% of their shots to trample Muskegon and extend their winning streak to 13, the longest since 1945. Harbor had two men in the 20-point column, Walker with 27 and Yarbrough close behind with 24. The Big Reds trailed by only 6 points, 21-15, at the end of the first quarter, but managed to tally only 4 in the next eight minutes while the Orange-and-Blacks were sinking another 21.

MICKEY YARBROUGH

JOE ROGERS

B.H. 51 MUSKEGON HEIGHTS 59

Our fond dreams of the first undefeated season in 13 years were cruelly shattered by a much-improved, defensive-minded Muskegon Heights five who cancelled the Tigers' winning string at 13. Percentages tell the story as Benton Harbor, forced to shoot from outcourt, hit 38% while Heights burned the nets with 51%. B.H.H.S. led only briefly in the first quarter and trailed 29-28 at halftime. They couldn't keep pace in the second half, however, and trailed at one time by 11 points. Senior guard Duane Dunbar played one of the most outstanding games of his career as he kept the Tigers in the contest with 18 points. Walker was held to 13 and Lange managed 10.

"And it just wouldn't go in."

TONY MEGNA

CHESTER WALKER

B.H. 70 NILES 29

Chester! Chester! Give it to Chester! roared the crowd as he neared his record-shattering 41-point tally in this, the final game on the Colfax court of his 3 very successful years on the varsity. With only 15 seconds left he sank two free tosses to eclipse the old record of 40 which he set against Holland last year. Chet outscored the entire Viking squad by 12 points. Dunbar was next in line with 10, but 6 other Tigers broke into the scoring column with at least 2 points each.

*You can dream —
can't you?*

In our rapidly changing world of today, one of the greatest needs of our society is dreamers — people with imagination and the creative ability to bring forth with sweeping strides the advances possible through the sciences and channels of research.

But, dreaming alone is not enough. You must also possess the basic technical knowledge needed to transform your dreams into real and worthwhile things for better living. Keep on dreaming, but if you want your dreams to come true, you must also keep on learning.

If you can dream and transform your dreams into worthwhile reality — the world and you alike will benefit.

Do you want a full-time or co-op job?

For young men and women who will be graduating from Senior High Schools, and those who are or will be enrolled in the Community College, Saranac offers co-operative employment and training with your curriculum for those who are considering careers in Engineering, Methods, Time Study, Accounting and Supervisory positions.

The Saranac Machine Company was founded in the Twin Cities in 1899. Its personnel designs and builds Conventional and Special machinery for the manufacture of shipping containers and packages, used for the shipment of food, industrial and hardware products, home appliances and building materials. The containers are made from such materials as veneer, lumber, plywood, corrugated and solid fibre-board and fabrics, automatically fastened together by means of adhesives, wire staples, wire and metal fastenings. The automation principle is used in the design and operation of these machines.

Saranac also designs and builds steel-strapping and wiretying machinery for bulk packaging of such products as newspapers, magazines, shingles, lumber, steel and metal parts and quality precision machine tools.

STOP IN AND SEE US

Perhaps we can be of some assistance to you.

May the future be most successful.

Respectfully yours,

Stan —

I hope you
and your little
friends don't get in
too much trouble
next year. Watch
out for your car -
I almost hit it with
my big 'P' today.

Good luck to
you next year - you'll
need it!

Dear Stan,
Here's the best of every
thing to another study
hall partner of mine.
Remember those calls
I used to get and the
person (or persons) who
were calling never
knew their name?
What fun. Gosh we
were only sophomores
then. Take good care
of Arlene and I'll
see ya next year.
Who knows, maybe
in the same
"doggone" study
hall. Just promise
that you won't
snore too loud.

Love,
Sondie Lee

Tiger Tournament Tales

We dedicate this assortment of tournament tales to the state's best team—the '58 Tigers, and to their coach, Mr. Farnum, to whom much of the credit for the success of this team belongs.

To Chester, All-State and Dream Team forward, whose sensational scoring ability has broken all records at B.H.H.S.

To Duane, All-State guard, honorable mention, whose deadly jump shot became a legend in tournament play.

To George, whose playmaking at Lansing was second to none.

To Ron, the most pleasant surprise of the season, whose clutch scoring and remarkable rebounding were immensely needed and greatly appreciated.

To Mickey, whose fakes and pivot shots at center were a pleasure to watch.

And to seniors Bruce and Jerry, juniors Nate, Charlie, Jack, Joe, and Tony, who did not get their names in print as often as the others, but were nevertheless, very valuable.

MR. FARNUM, Coach

BENTON HARBOR 65 NILES 25

The Tigers went through the formality of capturing their first district "A" championship in history as they rolled over a diligently stalling Niles. As the balance scoring indicates, the team looked very well prepared for the long tournament grind. Walker and Lange hit for 17 apiece, Dunbar tallied 11, while Yarbrough and Peapples totaled 7 each. Senior reserves Wightman and Biggart outscored the Vikings in the closing minutes as they hit a basket each.

BENTON HARBOR 60 KAZOO 48

In losing to BHHS, the Maroons demonstrated very nicely that a team must shoot to win. Kazoo shot only 8 times in the entire first half. Balanced scoring was again the rule as each player, at one time during the contest, filled a starring role. Chet again led the scoring with 18, but was closely followed by Ron, with 16, Duane with 14, Micky with 9, and George with 3 plus his usual excellent floor game. Kazoo changed tactics the fourth quarter resulting in a total of 46 points being scored by both teams.

BENTON HARBOR 70 G.R.C. 67

With 7 minutes left in the regional championship and trailing by 8 points, Tiger fans (those who could still talk) were praying for a miracle. It came in the form of five players who didn't intend to lose. With a calmness unsurpassed the Tigers relentlessly chopped away at Christians' lead and went ahead to stay with 1:13 left to play. Chet Walker's terrific play contributed immensely to that Tiger victory as he scored 34 points despite the 3-man guard Christian placed on him. Eleven of these came, where they were most needed, in the hectic last quarter. Ron and Duane ably assisted Chester with 16 and 10 respectively.

BENTON HARBOR 62 INKSTER 52

Our Lansing bound Tigers successfully blotted out Inkster for their 4th tournament contest. Inkster, hailed as one of the state's fastest teams, couldn't keep with Harbor's long pass and fast break attack in the second quarter. At halftime the Tigers were in full command with a 33-17 lead, having out-run the Inksters, 18 to 6 in the second frame. Chet and Ron again tied for scoring honors with 17 each, but Mickey and Duane were not far behind with 15 and 10. George hit 6 to complete the scoring.

BENTON HARBOR 81 FLINT CENTRAL 58

"Blessed is he that jumpeth the highest, for he shall get the ball." This Tiger proverb was put to good use at Lansing as Central had no answer for the rebounding powers of the Tiger front line. At the end of an ulcer-producing first half, Harbor had an extremely shaky 32-30 lead, but opened a second half steamroller that saw 49 Tiger points stuffed through the hoop to set a new semi-final record. Flint, the fastest team in the state, fell as the Tigers hit 54% in the second half and proved themselves to be just as fast. Chester was almost unstoppable as he hit 28 points in addition to capturing 24 rebounds. Duane played his best and highest scoring game of the season as he swished 24. Ron, after a basketless first half tallied 13, followed by Mickey and George with 8 and 7.

BENTON HARBOR 68 AUSTIN 71

"Often a bridesmaid, never a bride," this seems to be Benton Harbor's fate as, for the third time in four years, the Tigers made the long trek to Lansing only to return with no better than a runner-up trophy. Nervousness, a disease that never before plagued the Tigers, seemed to trouble them as the first quarter was almost complete before they got started. After trailing by 6 at halftime, the Tigers gained the lead in the third frame, but lost it early in the last quarter, something that never before happened all season. The outcome could have been very different had it not been for some missed free throws in the last 2 minutes but still they came from 10 points back to lose by a mere 3. Chester Walker, in spite of the fact that he seemed very tired, demonstrated his all-state ability by stuffing in 25 in spite of being guarded by DeBusschere, Austin's all-state center. Ron Lange, who suffered a slight scoring slump in the semi's, swished through 19, while Duane Dunbar contributed 12 points plus plenty of fight. Although Peaples got only 3, his spirit was largely responsible for a fourth quarter rally that almost made it. After the most heartbreaking defeat of the year, the Tigers proved they deserved their reputation for good sportsmanship by being the first to congratulate Austin.
